Here's value the likes of which you haven't seen in some time. PASADO, a bedroom group by American of Martinsville, created to sell at a surprisingly modest price. It's crafted in oak veneers and solids . . . finished a beautiful rich brown. Look at the heft, the quality of the base treatment, the end posts, the big moldings on drawers and doors, the real intaglio carvings in the door panels. You'll know why PASADO is a value unsurpassed.
